RMSB, Inc. will work with the customer to meet the building code requirements of the County or City where the building site is located. If order is cancelled due to Building Dept issues in any County, City or by Customer's Home Owner's Association, or if order is cancelled before or after construction has begun, RMSB Inc will retain no less then \$800 and any costs incurred by RMSB, Inc., or any of its suppliers, subcontractors, architects, engineers, permit fees, permit processing fees, or any cost incurred up to cancellation of customer or denial by Building Dept. Please check with your local building department for your property requirements. RMSB, Inc. is not responsible for your home owner's association. Customer is responsible to obtain necessary building permits prior to installation. Customer is responsible to provide a concrete foundation to code and work along RMSB and engineers for code regulations on concrete foundation w/ 3'x3' concrete landing required per code on all garages.
